GOLDEN STATE OPEN INVITATIONAL TOURNAMENT RULES

Current Modified IJF Rules-Pre 1994 Safety Zone and Out of Bounds Area-Double Elimination Competition Safety Zone Size: The IJF requires a safety zone of at least 3 meters on the outside border of the contest area and at least 4 meters between contest areas. This rule was adopted in 1994 to account for the matwork rule change which allowed contestants to continue in matwork until both are completely outside of the contest area. For local events where creating such a large safety area is impossible because of the venue size restrictions, lack of available mats, or for other reasonable causes, organizers may conduct their event using pre-1994 matwork rules and safety zone sizes, provided that the tournament information clearly states that such a modification will be in effect at the event. Shime and Kansetsu-Waza Age limits: It is standard procedure in the United States that contestants competing in junior divisions up and including 12 years of age are not allowed to use Shime-Waza (chokes) or Kansetsu-Waza (armlocks). Contestants competing in junior divisions up to and including 16 years of age are not allowed to use Kansetsu Waza. All senior divisions are normally permitted to use Shime-Waza and Kansetsu-Waza. Juniors who elect to enter senior divisions must understand that they do so at their own risk and should be allowed the use of Shime-Waza or Kansetsu-Waza. Event organizers may also limit the use of Shime-Waza or Kansetsu-Waza in Novice-only divisions in the interest of safety.

SEEDING: The top 4 nationally ranked Senior athletes will be seeded if they compete in the weight category in which they are ranked. #1 and #4 shall be placed on one side of the bracket; #2 and #3 shall be placed on the other side. The seeding order shall be in the order of the byes, i.e. if there is 1 bye, #1 shall get it; if there are 2 byes, #'s 1 and 2 shall get them, etc. If any of the top 4 nationally ranked athletes are not in attendance, athletes ranked #5 and below SHALL NOT be seeded, i.e., "moved up" to the next higher seed position. Statement of explanation of a Senior-E and Junior-D Level Event – Please Read! This event is a USA Judo Senior-E and Junior-D level event. The only divisions in which points can be earned are the highest SENIOR belt divisions. All players who place 1st or 2nd will receive Senior E- Level points. No points are awarded in Junior Divisions. Junior-age athletes (born 1987 and later) who place 1st, 2nd, or 3rd in the highest SENIOR belt divisions will receive Junior, D-Level points. Restrictions: Players must win at least 1 match and be a citizen of the USA in order to receive points. In addition, after earning points, in order to be listed on USA Judo's national roster, a player must join USA Judo (if not already a member).

Kanibasami will not be allowed in any division, Kansetsu-waza (Arm Locks) will be allowed in senior E-Level & Masters Black/Brown Belt Divisions Only.
